

# Rootbeer, Rootbeer, I Love You!

Lyrics Sing-Along Sheet | Words and Music by Andy Fling

Creamy, dreamy, fizzy brew,  
Rootbeer, rootbeer, I love you.  
So we will go to the store,  
So my mom can buy me more.

In a tutu I will dance,  
Even in my underpants,  
I will dance so all can see,  
That you fill my heart with glee.
